

## Echoes of an Angel: The Miraculous True Story of a Boy Who Lost His Eyes But Could Still See

Filesize: 3.41 MB

### **Reviews**

*It is fantastic and great. It is written in easy words and phrases instead of confusing. I am just delighted to explain how this is actually the best book I have got read through during my individual life and might be the finest publication for ever.

Tyndale Momentum. Paperback. Book Condition: New. Paperback. 296 pages. Dimensions: 8.1in. x 5.5in. x 1.1in. When Ben Underwood became blind at the age of two, anyone would have thought he faced a life full of hardship and uphill challenges—a world full of things he'd never be able to see and activities he'd never be able to enjoy. But as far as his mom, Aquanetta Gordon, was concerned, nothing was impossible for Ben . . . and so he accomplished the incredible. Known as the boy who could see with sound, Ben mastered human echolocation—the ability to detect the size, shape and location of objects through the reflection of sound waves. By clicking his tongue and seeing the waves, Ben could ride his bike, shoot baskets, identify objects, and even play video games. Some called it a miracle, but to Ben and Aqua, the real miracles were the otherworldly experiences God gave Ben—physical and spiritual—that others couldn't explain. *Echoes of an Angel* is the remarkable true story of how a child who seemed destined for darkness brought light to the world. It's the story of a single mom who encouraged her son to push beyond his limits, even as her heart clenched with protective love and fear. And it's the story of a family's unshakable faith . . . in God and each other. This item ships from multiple locations. Your book may arrive from Roseburg, OR, La Vergne, TN. Paperback.
