I just began reading this pdf. It is actually written in straightforward words instead of hard to understand. Once you begin to read the book, it is extremely difficult to leave it before concluding.

THE BUDDHIST ESSENE GOSPEL OF JESUS Unveiling the Gospels Divine Mysteries Vol. I by Dr. Johnny Lovewisdom Go to paradisianpublications.com for more information on this book and amendments to the appendix concerning the essene diet. Now for the first time in the west, we have a facsimile reproduction of the Principal Mysteries just as they were thought out and recorded in the original wording. Yet now, finally cleansed of the numerous errors, subtractions, additions and interpolations which the critics lament but were never able to cause to be read in English direct from the most ancient manuscripts. The author researched half a century to compile the background for illustrating his appraisal of the Divine Mysteries to be unveiled in the Gospels which required no less than a deep study of the undermeaning of the Nazarene Saviors own Palestinian Syriac dialect of the Aramaic tongue. Youll learn: The real direct words of Jesus as translated by a respected theologian from the original Aramaic language handed down through out the centuries without censorship or changes made by church authorities or complacent scribes. This item ships from La Vergne, TN. Paperback.
