

Dragon Prince, #1: The Golden Dragons (Paperback)

By David Nolan

Createspace, United States, 2015. Paperback. Condition: New. Kristen Yuu (illustrator). Language: English . Brand New Book ***** Print on Demand *****.Project Eden is a brand new series of quick reads that build up to a larger story. They are easily accessible by readers of all ages, and they are entertaining reads that, like Japanese light novels, focus on plot and the reader's imagination rather than heavy literary analysis. Dragon Prince, a side series from the main Last of Eden plot, focuses on the royal dragon family before the events of Last of Eden. Every family has their own troubles, but for Clawdius, it's on a royal scale. What he does reflects upon his father, King Volcanus, and the two may not necessarily share a classic father-son relationship. Then there's Volktail, a spoiled but prideful dragon who seems to be in a world of his own. Drocanus, on the other hand, follows his father's footsteps step-by-step and is growing up to be the ideal son. Too bad he's the third born and by birthright alone would never amount to anything. And we have the baby Firewing for cute factor.

Reviews

Absolutely among the best publication I have got at any time go through. It really is written in straightforward phrases rather than hard to understand. It's been designed in an extremely straightforward way which is just soon after I finished reading this publication through which basically modified me, alter the way I believe.
