*This publication is amazing. This can be for all who statte that there had not been a worth reading through. I realized this publication from my i and dad encouraged this ebook to find out.  
(Desmond Schuster II)*

## FOSSIL HUNTER

Tyndale House Publishers, Inc., Carol Stream, Illinois, 2008. Soft cover. Condition: New. No Jacket. First Tyndale House Printing. There are no obvious flaws in the book. "In the desolate Iraqi desert a lone shepherd stumbles across a whale fossil initial analysis indicates that it may be a new species---a discovery that might shed light on the evolution debate. Paleontologist Dr. Katie James is asked to lead an expedition to recover the rest of the fossil before her archrival Nick Murad can find it first. But while she's there, Kate also uncovers the unexpected-----a human fossil so controversial she's forced to collaborate with Nick to analyze the find before it can be destroyed by a fundamentalist faction of the Iraqi government."
