

Passing Punting Quarterbacking: The Norm Van Brocklin Football Book (Paperback)

Filesize: 4.68 MB

Reviews

Without doubt, this is actually the very best function by any article writer. it was writtem quite flawlessly and valuable. Once you begin to read the book, it is extremely difficult to leave it before concluding.

(Prof. Isobel Heller MD)

PASSING PUNTING QUARTERBACKING: THE NORM VAN BROCKLIN FOOTBALL BOOK (PAPERBACK)

Createspace Independent Publishing Platform, United States, 2010. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.Written for coaches, players, and fans, this book deals with two of the P s immortalized in the Punt, Pass and Pray system of Michigan s famed coach Fielding Yost, but passes lightly over the third. After a brief account of the forward pass from its birth at the turn of the century to its becoming the core of the professional game today, I take up the fundamentals of how to throw the ball, the grip, fading to pass, delivery of the ball. Since pass defense is so heavily emphasized in pro football, any discussion of the passing attack must begin with the defensive systems to be outwitted and outgunned. Consequently I discuss in detail the principal defensive alignments, their strengths and weaknesses, and how to beat them. And, of course, in order to beat the defense it is fundamental to provide adequate protection for the passer while he picks out his receivers. With this background, then, I take up in detail the heart of the passing game: the pass patterns and how they are executed. The individual pass routes in man-to-man situations, unit patterns, flare control, as well as the techniques of the receivers, are all carefully set forth. Defensive backs, the problem of interceptions, and the highly important matter of integrating the running and passing attacks round out the chapters on the passing game. A chapter on the changing kicking game is followed by my analysis of the art and skills of punting. I have used many diagrams, keeping them as simple and uncomplicated as the intricacies of modern football will permit. I have tried not to make the book read like a textbook, but hope that it will...
