STARLEADER GUIDEBOOK: POSITIVITY POEMS FOR YOUTH

Createspace. Paperback. Condition: New. This item is printed on demand. 200 pages. Dimensions: 11.0in. x 8.5in. x 0.5in. Dear Leader, This guide was created to accompany YoungStars and YoungerStars Positivity Poems, to give our youth a literary and literacy boost up! The poems are designed for marinating and masticating! They are intended to stimulate higher ordered thinking in youth. All 70 poems are included in the guide enabling the instructor to use the book with or without the stand-a-lone books containing 50 poems for young adults and 22 poems for children. The instructor will be able to use poems from either of the books and have the opportunity to use any of them to tailor whatever is suitable for any grouping. The poems are meant to be read orally (I suggest not putting non confident readers on the spot) and followed by discussions where the participants are encouraged to speak their minds in an accepting atmosphere of tolerance. Some may seem a little downpressing but we NEED to talk openly about the issues. Seriously! So much of what we adults try to protect youth from - and are not preparing them for - is not allowing them to be their personal best selves! Of course, due to the ages and level of understanding of your learners, some of the poems will require more dissection than others. Please encourage the learners to use the muscles in your minds! Many of the poems are playful. Some are deep. Others are sobering. All are provocative. THANK YOU FOR HELPING OUR YOUTH ELEVATE! LETS BREAK THE BRAIN CHAIN! Peace and Understanding, K. E. Dabney Promote Literacy! Keep Our Minds Lit! Attention please! I have no control over what books are shown under the pages featuring my books for youth. Urban literature has come to mean adult reading that leans toward...
