For some, love is the reason they get up each day and take life by the horns. The knowledge that someone out there is made just for them inspires greatness each day. For others, it is another four-letter word that brings forth bad memories and bouts of sadness. The past chases and plagues them. Life. . . it is a never ending series of learning experiences of the heart and soul. All who love are lucky because they are given an opportunity to learn not only about themselves but also about others through gain and loss. No relationship is perfect and not all last, but they all mean something and are worth it, if even for just one fleeting moment of joy. Often. . . not getting what you want opens your heart to what is waiting for you on the other side of the lessons. Within these pages, twelve brave souls open up their hearts and share their experiences so that others might learn that it is not the end of a relationship that defines you, but what you learn from that end. Sometimes. . . not getting what you want can be the best thing for you. This item ships from La Vergne, TN. Paperback.
