## THE JUDGE S HOUSE

Audible Studios on Brilliance, 2017. CD-Audio. Condition: New. Unabridged. Language: English . Brand New. Exiled from Paris, Maigret discovers some disturbing secrets in a sleepy coastal town in this new translation. A short, sprightly man appeared in the doorway, looked left and right, and went back into the passage. A moment later, the improbable happened. The little man reappeared, bent over, clinging to a long mass that he now started dragging through the mud. It must have been heavy. After four metres, he stopped to catch his breath. The front door of the house had been left open. The sea was still 20 or 30 metres away. This novel has been published in a previous translation as *Maigret in Exile*. Georges Simenon was born in Liege, Belgium, in 1903. Best known in Britain as the author of the Maigret books, his prolific output of over 400 novels and short stories have made him a household name in continental Europe. He died in 1989 in Lausanne, Switzerland, where he had lived for the latter part of his life.
