I have loved Mason Trent for years, but I've only been sleeping with him for one. None of my friends know about our secret passion. He's in my bed one night and in the arms of someone else the next. And it's tearing me apart. I've done everything I can think of to make him mine, but the more I cling to him, the harder he pushes me away. I'm spiraling out of control, not sure how much more of this I can take. A girl can only bend so far until she breaks. And when I do, I break completely. I'm talking about one night of bad decisions, all leading to a my-world-will-never-be-the-same kind of moment. A moment where I need Mason more than ever. True to form, though, he's running. But I intend to go with him this time. I'm willing to leave my money, my family, my friends behind for this one last chance to see if he could ever really love me the way I deserve to be loved. I'm willing to sacrifice forever if it means one real moment with him.
