Reviews

Completely among the best pdf I actually have possibly read through. It is probably the most awesome pdf we have read. You won't really feel monotony at whenever you want of your time (that's what catalogs are for about in the event you ask me).

Createspace Independent Publishing Platform, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. You don t have to know me, my band or like what we did to get something out of this book. You see, this is not your typical rock biography. This goes behind the gloss and explores what band life is really like. Beyond that, this book explores my psyche. The human psyche. Whatever walk of life a person is from, our experiences and frailties are similar. This is something I believe makes my book both compelling and relateable. If you have ever felt let down If you have ever had an identity crisis If you have ever reached a cross road and not known which way to turn If you have ever felt trapped inside a job If you have ever felt like life is getting on top of you If you have ever wondered what it s all about then this book is for you. Raw, touching, honest, funny. Real. ----- FROM THE BACK: If all we have is right now, what happens when you don t know what to do with it? And so began the most confusing time of my life. You see, for many years, I had pursued one goal. Fueled by an artistic bent and great ambition, I wanted to become an awesome rock star. I went some way to achieving that - a big fish in a very, very small pond - but, the closer I got to the Ultimate Goal, the more I realised I didn t want it. Like most of us I plodded along, thinking it would be OK in the end, this was just a blip and I would rediscover my passion. Except I didn t. 2014 was set to...
