FW Publications Inc, United States, 2018. Paperback. Condition: New. Language: English . Brand New Book. Learning How to Draw Has Never Been Easier! Lee Hammond s All New Big Book of Drawing is the culmination of nearly forty years of teaching . No matter what your experience level YOU CAN DRAW by following along these easy step-by-step demonstrations. Whether you want to create drawings of flowers, learn how to draw animals or how to draw a person, these drawing techniques, all-new projects, and expert tips will show you how to get great results with both regular pencils and colored pencils. Two books in one. The first half is a comprehensive course on using pencils to capture shape, form and likeness. The second half explores adding color using colored pencils88 step-by-step projects. You will learn to draw everything with this book! Starting with a simple sphere and working up to sea shells, sunsets, flowers, birds, horses, clothing, people--and so much more!A lifetime of know-how! Lee covers it all--from big picture concepts (selecting tools, shading techniques, making sense of perspective) down to techniques for creating the look of feathers, capturing skin tones, and making surfaces look shiny or transparent.Using her straightforward, three-stage approach to lifelike drawings, Lee makes any subject approachable, from still life and landscapes to animals and even people. This project-driven tome will help you create realistic, frame-worthy artwork. Project by project and subject by subject, you will gain confidence and cultivate great joy in drawing.
