

Online Game Pioneers at Work

By Morgan Ramsay

aPress, United States, 2015. Paperback. Book Condition: New. 1st New edition. 235 x 155 mm. Language: English . Brand New Book. In this groundbreaking collection of 15 interviews, successful founders of entertainment software companies reflect on their challenges and how they survived. You will learn of the strategies, the sacrifices, the long hours, the commitment, and the dedication to quality that led to their successes but also of the toll that this incredibly competitive market has on even its most brilliant minds. For the hundreds of thousands of game developers out there, this is a must read survival guide. For those who simply enjoy games and know of some of these founders, this will be a most interesting read. Sales of video games, hardware, and accessories reach upwards of \$20 billion every year in the United States alone, and more than two-thirds of American households include video games in their daily lives. In a world that seems to be overflowing with fortune and success, the vicious truth of this booming industry is easily forgotten: failure is tradition. Video games define a cultural crossroad where business, entertainment, and technology converge, where the risks are great, cutting edge technology is vitally important...
