

Railway Walks in the Lake District (Paperback)

Filesize: 1.69 MB

Reviews

It is one of the best publications. It is definitely simplistic but exciting in 50% of the ebook. I am very happy to let you know that this is basically the greatest publication I have gone through within my own existence and could be the greatest PDF for ever.

RAILWAY WALKS IN THE LAKE DISTRICT (PAPERBACK)

To read **Railway Walks in the Lake District (Paperback)** eBook, you should access the button listed below and save the file or have access to additional information that are in conjunction with RAILWAY WALKS IN THE LAKE DISTRICT (PAPERBACK) book.

SIGMA PRESS, United Kingdom, 2014. Paperback. Condition: New. Language: English . Brand New Book. This new collection of 20 fabulous Lake District walks enables you to explore the railway heritage of the region, both old and new. Including current and historic photographs of Cumbria's network of railway lines, follow the routes from train stations to discover both amazing views and a wealth of information about times gone by. There are fine routes near the Ravenglass and Haverthwaite heritage railways, where you will be listening to the nostalgic whistle of a steam train as you set off into the hills. You can learn all about disused lines and stations that stand abandoned following the Beeching Axe of the 1960s. And, of course, you can use public transport to discover the train lines still in use, with walks from the coastal stations and the lakes of Windermere as well. Railway Walks in the Lake District is an engaging and inspirational way to explore Cumbria's wonderful landscape.
