Reviews

*This type of ebook is everything and got me to seeking in advance plus more. it was writtem really completely and helpful. You wont feel monotony at at any moment of your respective time (that's what catalogues are for about should you request me).
(Dr. Santino Cremin)*

COMPOSITION FOR ELEMENTARY SCHOOLS A COMPOSITION GRAMMAR (CLASSIC REPRINT)

Forgotten Books, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English Brand New Book ***** Print on Demand *****.Excerpt from Composition for Elementary Schools a Composition Grammar Two widely different methods of teaching composition are found in schools. One, the strictly technical method, makes constant use of the principles of rhetoric and grammar, and ignores the gain in power that may come to the pupil from the frequent and unfettered expression of his thoughts and experiences. The other reverses the process, trusting to the frequency of the act of composition to bring the pupil to a state of accuracy in his use of English. It is not likely that a great number of teachers rely wholly upon either one of these methods of instruction; but very few have been able to make a rational combination of the two, so that principles learned at any time may be used at once and thus become fixed as habit. More progress has been made in the case of rhetoric than in that of grammar, for while unity and the accompanying qualities of a theme have been taught to pupils as guiding principles of composition, a thorough and effective knowledge of syntax has often not been deemed necessary, or, perhaps, has been sought in the isolated study of grammar. Something may indeed be accomplished by such study, but it is the least economical method, and the one least likely to have an effect on oral and written language. This means of teaching the technique of the sentence has had its trial. While it may be true that the country was never so grammar-mad as it was once spelling-mad, it is yet true that grammar as an isolated study had, for a long time, its due share of attention in the...
