Createspace, United States, 2008. Paperback. Book Condition: New. 216 x 140 mm. Language: English . Brand New Book ***** Print on Demand *****.It should be our goal to stand before God holy and sanctified. There is a process whereby sin and all of its particles are burned off in the fire as refiner's gold. But we have to do our part. Building a relationship with Jesus is the beginning. God has placed His principles and glory in the hearts of His children from the beginning of time until now. Sin cannot stand in the presence of God. We must first believe that He is the son of God and confess with our mouth that He is Lord and then the process of God changing the old into the new begins. The Fire of God will start to burn off sin and new life will begin sprouting, growing, blossoming and then comes full maturity. Know that when God removes or takes away there is a greater addition that He has in mind for you. So during this purification process release yourself into the Potter's Hands and become a magnificent vessel of God. So that you will be able to say here I am Father, send me. Shalom.
