Createspace Independent Publishing Platform, United States, 2015. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Big Special Thank You Bonus inside !!! All at once they fluttered away. Paused before they came screaming toward each other without fear or prejudice. Without ego or guilt or any small sense of pride. They simply must be together. Smashed into each other hard. The colors fluctuated bright and dark, blue and red. The purples and violets came, followed my maroons and pinks. Culminated in a compressed ball no bigger than the size of an orange. Immense passion welled up inside as it shook violently against the black canvas. It fell freely through the nothingness like two eagles entwined in courtship. It s sound would have been akin to an Tie-Fighter falling helplessly toward the Death Star after being shot at. Until eventually. we hear a bang. So monumental, the aftershock would still be felt long after the first human had died, and he was not even thought of yet.
