Filesize: 5.17 MB

Reviews

Excellent eBook and valuable one. It normally will not price too much. Your daily life span is going to be change once you comprehensive reading this ebook.

(Ezra Bergstrom)

THE ROOTS OF SOUTHERN POPULISM: YEOMAN FARMERS AND THE TRANSFORMATION OF THE GEORGIA UPCOUNTRY, 1850-1890

[DOWNLOAD](#)

Oxford University Press. Paperback. Book Condition: New. Paperback. 376 pages. Dimensions: 8.1in. x 5.4in. x 0.7in. Despite the vast changes in plantation agriculture following the Civil War and Reconstruction, the lot of small farmers was little improved. Examining the nonplantation region of upcountry Georgia as a microcosm of the South, Steven Hahn showed how farmers were buffeted by such forces as the unravelling of antebellum household economy, the development of market forces, the growth of a new class of merchants-landlords, and rising tensions between town and countryside--and how their resentments fuelled the Populist movement at the end of the 19th century. For this updated edition, Hahn will add new material to discuss how the book has stood up since it was published over twenty years ago, how the arguments and questions were received, and what influence they may have had on scholarship. He will also consider what has happened to historical interest in Populism, poor white people and populist politics, as well as why he thinks it likely that interest may revive and what sort of questions and arguments may drive it. This item ships from multiple locations. Your book may arrive from Roseburg,OR, La Vergne,TN. Paperback.
