THE AKASHIC TELESCOPE: ORDER FROM CHAOS PART I (PAPERBACK)

Createspace, United States, 2015. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.Eternal vigilance starts with being forewarned. This fascinating story is based on the following premise: If powerful global secret societies exist and a New World Order with a One World Government is their ultimate aim, what events would be necessary to bring about such a result? We are on the verge of a global transformation. All we need is the right major crisis and the nations will accept the New World Order. David Rockefeller's address to the United Nations. The Akashic Telescope: Order from Chaos is the compelling story of the world's ultimate secret society: the Illuminati. Their sole purpose and agenda is the manufacturing of geopolitical events that will inevitably lead to an oppressive One World Government. The Aktel, as it is secretly known, contains incredible power over our lives and the world itself; knowing all the answers to every possible question as well as explaining all paranormal events on earth. Those who seek to control it will achieve their millennia-old quest of One World Government. The Akashic Records, or the Biblical Book of Life, is the complete living record of all human existence. According to legend, this special life ledger was created for a purpose and will be opened on the Apocalyptic Day of Judgment; to assess the value of our earthly existence. How...
