Reviews

Good e-book and beneficial one. I was able to comprehend everything out of this published e pdf. Once you begin to read the book, it is extremely difficult to leave it before concluding.

(Mariana Schaden II)

BURN BABY BURN A SUPERVILLAIN NOVEL VOLUME 1

CreateSpace Independent Publishing Platform. Paperback. Condition: New. This item is printed on demand. 212 pages. Dimensions: 8.5in. x 5.5in. x 0.5in. Sundancer is a militant radical who channels the heat and light of the sun, capable of melting steel and vaporizing anyone who stands in her way. Pit Geek is seemingly immortal, able to survive any injury, but haunted by fragmented memories. Together, these supervillains launch a crime spree bold enough to threaten the world's economy. To stop them, the government authorizes a new band of superheroes known as the Covenant to hunt down the menaces. Sundancer and Pit must learn to rely on one another as never before if they're to escape the heroes that hound them. When they finally run out of places to hide, can mankind survive the conflagration when Sundancer unleashes the full force of her solar powers? Burn Baby Burn has an incredibly high cool things per page quotient. Maxey crams more fresh ideas in a chapter than most books have altogether. That plus kick-ass action scenes and I found it hard to put down. --Maya Lassiter, author of *Toby Streams the Universe* The most genuine fun I've had with a superhero story since watching *The Incredibles*. --Lon Prater, author of *Roads Like These* This item ships from La Vergne, TN. Paperback.
