Bunya Publishing. Paperback. Condition: New. 112 pages. Dimensions: 9.0in. x 6.0in. x 0.3in. Dont be fooled by all the long-winded, expensive and time consuming marketing campaigns. They dont work. I know because I tried them all. In the end I went against all the advice and ramped up a method Id been experimenting with and you know what It worked! Finally. Something that works. And it is exactly the opposite of what everyone else is telling you to do. Stampede is an amazingly successful marketing system for any product or business. It works on AutoPilot, its free and it draws stampedes of customers to your door day in day out. Nothing Ive ever tried comes even close to the massive success Im achieving with this system. A complete and utter newbie could do this with their first ever book because no social following is needed at all. Its a little tricky to set up at first which is why you need this stepbystep guidebook but once its set up, you hit the AutoPilot button and away it goes, working in the background 24 hours a day, 7 days a week sending hundreds and hundreds of customers to your Amazon Book Page every single day. You could leave it running for years and it would continue doing the same thing year in year out. Stampede will give you the one thing you so desperately need TIME. Time to write your next book. Wouldnt that be nice Ive got loads of it now and this is my next book. Youre reading it because Stampede gave me the time I needed to write it. You can do the same. BUY THIS BOOK NOW.
