Bangtail Press. Paperback. Condition: New. 326 pages. Dimensions: 9.1in. x 7.5in. x 0.9in. Singer, songwriter, painter, essayist. . . Tom Russell is known as one of the most compelling performers in the world, and is recognized as a master American lyricist. And now, with 120 Songs, Russell presents his first-ever collection of lyrics, handpicked and individually introduced, and complemented by a set of his original woodcut illustrations. From classics like Blue Wing, Gallo del Cielo, Navajo Rug, and Outbound Plane, to newer songs like Guadalupe, and Whos Gonna Build Your Wall this volume is the only available anthology, in print, of all of Russells finest songs and unpublished rarities. Each song includes an introduction and guitar chords, and the main introduction also includes details of Russells brief encounters with Bob Dylan and the Beatles. Tom Russell is Johnny Cash, Jim Harrison and Charles Bukowski rolled into one. I feel a great affinity with Tom Russells songs, for he is writing out of the wounded heart of America. Lawrence Ferlinghetti The best songwriter of my generation raises and sets the bar for contemporary singer-songwriters. Mike Regenstein Montreal Gazette Tom Russell is an original, a brilliant songwriter with a restless curiosity and an almost violent imagination. Annie Proulx I so admire his work. Its fine craft, and posey, none of which dwarfs its embracing humanity and urgings. Van Dyke Parks The most powerful voice on the contemporary folk circuit Boston Globe The greatest living country songwriter hes written songs that capture the essence of America. A trait that can only be matched by the countrys greatest novelists. John Swenson Rolling Stone The lyrics are jewels. Robert Hunter Grateful Dead Lyricist This item ships from multiple locations. Your book may arrive from Roseburg, OR, La Vergne, TN. Paperback.
