If you don't believe in miracles, you will after you read this modern day novel. Forerunners is timely in today's world events with the increased focus on religion and terrorism in the Middle East and elsewhere, and is based on the Second Coming prophecies in the Bible, referencing Matthew, Mark, and The Revelation to John. All the major religions expect a messiah, or a son, or a messenger, or an avatar, or some bodily manifestation of God. Included are a United States ambassador, a priest, a psychic, an Olympic champion, and the temptress Pandora. By a series of mysterious Biblical events, the ambassador and priest learn of the arrival of the Anti-Christ forerunner. Bible prophecies say that disruption in natural disasters, international economic recessions, terrorism of religious men and women who serve God, and destruction of religious institutions are preludes to the coming of the Anti-Christ. All are happening today. The ambassador and priests search to find that forerunner and the forerunner for Christ takes them to Turkey, Greece, India, Japan, Washington, Los Angeles and to the United Nations where the ambassador gives a stirring speech on peace after they expose the Anti-Christ forerunner in New Delhi, India at a meeting of all the world's religions. This item ships from La Vergne, TN. Paperback.
