Reviews

An exceptional ebook along with the typeface employed was intriguing to see. It really is simplistic but surprises within the fifty percent of the ebook. It is extremely difficult to leave it before concluding, once you begin to read the book.
(Brian Miller)

LES GIRONDINS LEUR VIE PRIVEE, LEUR VIE PUBLIQUE, LEUR PROSCRIPTION ET LEUR MORT (2)

RareBooksClub. Paperback. Book Condition: New. Paperback. 674 pages. OCLC Number: 741959101 Excerpt: . . . About the School of Advanced Airpower Studies Established in 1990, the School of Advanced Airpower Studies (SAAS) is a one-year graduate school for 27 specially selected officers from all the services. The mission of SAAS is to develop professional officers educated in airpower theory, doctrine, planning, and execution to become the air strategists of the future. SAAS achieves this mission through a unique educational process that blends operational expertise and scholarship in an environment that fosters the creation, evaluation, and refinement of ideas. The goal is thus twofold: to educate and to generate ideas on the employment of airpower in peace and war. SAAS is part of Air Command and Staff College, located at Maxwell Air Force Base in Montgomery, Alabama. The SAAS curriculum consists of a series of courses that emphasize military and airpower theory, political science, economics, history, and technology. Civilian academics and high-ranking military officers are frequent visitors. All students must write a thesis and undergo an in-depth oral examination by the faculty. In addition, students participate in war games and joint exercises which hone their skills as airpower thinkers and planners. The faculty implementing this curriculum is composed of eight members - four military and four civilian.
