THE NINE ELEMENTS OF A SUSTAINABLE CAMPUS

The MIT Press. Hardcover. Book Condition: New. Hardcover. 256 pages. A college campus offers an ideal setting for exploring and practicing sustainability. Colleges and universities offer our best hope for raising awareness about the climate crisis and the dire threat it poses to the planet. They provide opportunities for both research and implementation; they have the capacity to engage students, staff, and faculty in collaborative enterprises that inspire campus transformation; they take the idea of legacy seriously. But most college...
