Createspace Independent Publishing Platform, 2015. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.All over the globe, both in the third world as well as in first world countries, adversity is an unexpected, unpleasant and unwelcome reality for many genuine and dedicated followers of Christ Jesus. They are not able to understand the purpose for it in their redeemed lives. Adversity in the Life of the Believer is a compilation of a series of messages that I have preached on the topic, to help God's wonderful people get the right perspective of adversity in their lives or in the lives of other believers, considering that the appropriate response to trials is critical if a believer is going to come out of the experience better and not bitter, or is going to be an encourager to others or a critic. May the reading of this book become a medium for the impartation of God's grace, wisdom and insight to enable you, the reader, if you are going through adversity, to handle it in a manner that brings glory to God and encouragement and amazement to others.
