Good electronic book and valuable one. It is one of the most incredible publication we have read through. It is extremely difficult to leave it before concluding, once you begin to read the book.

AN ABECEDARIAN OF SACRED TREES (PAPERBACK)

Wipf Stock Publishers, 2016. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.Every person has seen a tree and maybe planted or climbed one! Boyer has written an informative and inspirational book that explores the religious significance of a variety of trees in Christianity and other religions of the world. Well organized and well researched, this book goes far in illustrating why and how trees have played such an important part in the religious lives of people across the world. --Stephen C. Berkwitz, Professor of Religious Studies, Missouri State University With his characteristic combination of detailed scholarship and clarity of thought, Boyer s latest volume guides the reader through a personal discovery of their own spiritual connection with trees and sacred nature as only a seasoned educator can. Trees beautify our backyards and public spaces. They clean our soil and our air to form an ecological link between the Earth and sky. Boyer shows us how they can also spiritually link...
