Soho Crime, 2015. Paperback. Condition: New. Reprint. Language: English . Brand New Book. A modern western set in an isolated Australian bush town with a soaring crime rate, where a local constable with a troubled past must investigate the death of a teenage girl whose murder threatens to set the dusty streets ablaze. Constable Paul Hirschhausen-- Hirsch --is a recently demoted detective sent from Adelaide, Australia s southernmost booming metropolis, to Tiverton, a one-road town in the country three hours north. Hirsch isn t just a disgraced cop; the internal investigations bureau is still trying to convict him of something, even if it means planting evidence. When someone leaves a pistol cartridge in his mailbox, Hirsch suspects that his career isn t the only thing on the line. But Tiverton has more crime than one cop can handle, due largely to the town s stagnant economy, rural isolation, and entrenched racism and misogyny. When the body of a 16-year-old local girl is found on the side of the highway, the situation in Tiverton gets even more sinister, and whether or not Hirsch finds her killer, there s going to be hell to pay.
