BE THE MIRACLE

Elk Lake Publishing, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Whether we title these unexplainable happenings miracles, God-sightings, or some other name, people love to hear of such occurrences. Why? They increase our faith by providing evidence of the miraculous in our everyday lives and heighten awareness of God s desire to minister personally to us and through us. Unique connecting verses, defining thought, key words, and personal challenges will help the readers go beyond the good for her feeling and bring each story s teaching to life in their own daily walk. Many will find comfort knowing they are not alone in hearing God s voice or direction. Others also will deepen their walk with God, gain the courage to listen for God s voice, be a noticer of others needs, and practice hearing and answering God s call to deliver a specific answer to a specific person. Sometimes walking in faith seems risky because it means obeying even if the directions don t seem to make sense. When Abraham brought Isaac in faith up the mountain for a sacrifice, he risked all believing that God s character would not fail him. God did keep His promise and provided a lamb, and Abraham passed the test of trust and faithfulness. What do we risk daily for the Lord? These life-vignettes encourage readers that risking embarrassment is a small price for the incredible joy of seeing God work over and over again. How can YOU put hands and feet to your faith and BE The Miracle for someone else?.
