LESSONS IN SECULAR CRITICISM (PAPERBACK)

Fordham University Press, United States, 2013. Paperback. Condition: New. Language: English . Brand New Book. Secular criticism is a term invented by Edward Said to denote not a theory but a practice that counters the tendency of much modern thinking to reach for a transcendentalist comfort zone, the very space philosophy wrested away from religion in the name of modernity. Using this notion as a compass, this book reconfigures recent secularism debates on an entirely different basis, by showing (1)...
