

## The Health of the Skin (Classic Reprint) (Paperback)

Filesize: 6.2 MB

### ***Reviews***

*A top quality ebook as well as the typeface used was interesting to see. It usually fails to charge an excessive amount of. Once you begin to read the book, it is extremely difficult to leave it before concluding.  
(Dr. Isabell Wiza DDS)*

## THE HEALTH OF THE SKIN (CLASSIC REPRINT) (PAPERBACK)

Forgotten Books, 2017. Paperback. Condition: New. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*. Excerpt from The Health of the Skin T is a common delusion to imagine that the skin is a simple membrane or covering drawn over the muscles and bones of the body and of very little importance as compared with the nerves and blood vessels, to say nothing of such organs as the liver and lungs for instance. The truth is that the Skin is a vital, complicated structure. In its develop ment from the fertilized human egg, it may be first noted that the skin arises from the same layers of cells in the embryo as the brain, Spinal cord and nerves generally. Indeed the skin is a wonderful fan-like expansion directly connected with the central nervous system, and is like the eye and ear an organ of sense, viz. The sense of touch. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books. Find more at This book is a reproduction of an important historical work. Forgotten Books uses state-of-the-art technology to digitally reconstruct the work, preserving the original format whilst repairing imperfections present in the aged copy. In rare cases, an imperfection in the original, such as a blemish or missing page, may be replicated in our edition. We do, however, repair the vast majority of imperfections successfully; any imperfections that remain are intentionally left to preserve the state of such historical works.
