Not only is it a mystical power point, but also Egypt s climate is ideal for the creation of flower remedies, made potent by the desert sun. Flowers are more than just beautiful to behold; they are symbols of the divine unfolding into manifestation and work only for the highest good. Sacred arts teacher Leslie Zehr developed the Al-chemia Remedies in Egypt. In her book, she gives a brief introduction to the wisdom of flowers. By capturing flower energy in the matrix of water, we can use it for our own evolution to activate our sleeping DNA to become whole, blossoming into our highest potential, fully alive on every level. Within these pages, learn how to exercise your intuition to create your own flower power remedies. Learn the remedy profiles and individual affirmations for each flower in the Al-chemia set. With practice and repetition, it is possible for each of us to awaken a deeper version of ourselves and discover the ancient magic the Egyptians dug from fertile, black earth.
