USING PROTOTYPING IN INSTRUCTIONAL DESIGN (PAPERBACK)

American Society for Training Development, United States, 2014. Paperback. Condition: New. Language: English . Brand New Book. Storyboarding and prototyping are key parts of the instructional design process that should not be skipped. Starting the overall design process with a storyboard provides a high-level outline of the intended outcomes of the module, and is an effective way to gather ideas in a graphical format before moving on the physical prototype. Interface prototyping then allows instructional designers to map out the...
