This type of publication is almost everything and helped me looking forward and much more. I am quite late in start reading this one, but better then never. You wont really feel monotony at whenever you want of your own time (that's what catalogs are for relating to if you ask me).

TACTICLES THE ART OF GERANTO - TOUCH TO BELIEVE ART OF THE UNKNOWN VOLUME 2

CreateSpace Independent Publishing Platform. Paperback. Condition: New. A. G. Ceglia (illustrator). This item is printed on demand. 90 pages. Dimensions: 11.0in. x 8.5in. x 0.2in. Tactics collects 90 pages of powerful art and sketches from Gerardo Ceglia, a young professional Italian artist from Naples. Gerardo is probably one of the shyest people I have ever met. He is also your friendly neighborhood (pun intended) family man, much in love with his wife and incredibly gentle with his children. Things change when he takes out his pencil and brush from his drawer. Those are the artifacts he pours his inner power into. The shy man completely changes as strong lines run around the sheet. Beautiful women with bodies you can almost interact with come out of nothing, only to be perfected by powerful strokes of ink. Muscles are built on men, matching strong facial features and glances that can make you shake. Aliens, pirates, cow-boys, gunslingers and detectives are like real-life people living in a world like our own, only black and white. Gerardo has never visited New York, the Nevada Desert or Mars, yet when they take their place in panels they are not just done right, they have the right feeling. You don't read the tale, you touch it, and the story touches you back, like a shadow on your own shadow. Yet power is not the only thing there is in Gerardo's art. The feeling of retroism that runs through his art is the perfect touch that softens the edges, making things nostalgic, but no less believable. Come and touch it! This item ships from La Vergne, TN. Paperback.
