BANITSA

To read **Banitsa** eBook, remember to refer to the link listed below and save the ebook or get access to other information which are relevant to BANITSA ebook.

Alphascript Publishing Feb 2010, 2010. Taschenbuch. Condition: Neu. Neuware - Banitsa is a traditional Bulgarian pastry prepared by layering a mixture of whisked eggs and pieces of sirene between filo pastry and then baking it in an oven. Traditionally, lucky charms are put into the pastry on certain occasions, particularly on Christmas Eve, the first day of Christmas, or New Year's Eve. These charms may be coins or small symbolic objects (e.g., a small piece of a dogwood branch with a bud, symbolizing health or longevity). More recently, people have started writing happy wishes on small pieces of paper and wrapping them in tin foil. Wishes may include happiness, health, or success throughout the new year. Banitsa is served for breakfast with plain yogurt, ayran, or boza. It can be eaten hot or cold. Some varieties include banitsa with spinach (spanachena banitsa) or the sweet version, banitsa with milk (mlechna banitsa) or pumpkin (tikvenik). 168 pp. Englisch.
