Sophos Books, 2017. Paperback. Condition: New. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Miracle Shift is a passionate prophetic message to a people journeying from Egypt, through the wilderness and into their promised land. Like Israel of old, too many believers are failing to learn the lessons of trust in the wilderness and thus are largely unfit to enter into God's rest. They long for miracles that will satisfy their temporal desires, but are not ready to embrace their prophetic destiny, which involves becoming a channel of miracles to others. This message hits hard, but in love. Only the truth can set God's people free and the reader will experience freedom through a shift in their mindset about miracles. We need not run after miracles; rather, miracles should run after us!.
