Complete guideline for publication fans. I am quite late in start reading this one, but better then never. It is extremely difficult to leave it before concluding, once you begin to read the book.

WHEN I PRAYED GOD LISTENED (PAPERBACK)

Createspace Independent Publishing Platform, United States, 2016. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Some people move throughout life with an understanding about prayer and blessings according to their mindset and understanding of the way the world and religion works. Then there is a group of people who understand according to personal testimony and experiences they have from dealing in the spiritual realm. When the roads of understanding, knowledge and the spiritual intersect it causes a process breakthrough within the brain and all understanding is then shifted to form new wisdom. New wisdom creates a new life. A free life with God. -When I Prayed God Listened- is a true story. It is a testimony to the people on God's behalf. The battles of Boe Giles was written to help someone else who maybe in a battle or getting prepared to go through one. It was written on God's behalf to lead the people back home. To the natural world. When you speak words and put out actions in the spiritual world there is a battle that happens over them. When you try to break free from the spiritual world there is a battle that happens as well. When you go into battle you must be well equipped. It is my hope that this book equips the reader in knowledge and wisdom.
