

Real Living Nightmare (Paperback)

By R J Rogers

Christian Faith Publishing, Inc., 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. A young woman named Rachel, soaring in her mid-twenties, is going through a rough patch in her life. Everything that scared her in this lifetime stops her in the moment to make her question everything that has happened in her life and where it's leading up to. Between depression, along with anxiety, her nightmares show her a horrific hint of reality in what she's going through or what is coming her way. Saddened by the breakup with her longtime friend and her baby sister who has moved onto another state to pursue bigger dreams, she feels all alone and shuts out everyone around her. As she stays in solitude with her own misery, she tortures herself with why things happened the way they did between her and her longtime friend Jay and why she couldn't be bold and brave like her baby sister, instead of letting fear consume her whole life. One stormy night, she has a very bad dream of an intruder in her house--something Rachel has dreamt in the past. Usually, this happens when something bad is...

Reviews

An exceptional pdf and the typeface employed was fascinating to see. Better than never, though I am quite late in starting to read this one. Your daily life span will be transformed as soon as you start looking at this publication.

It is an amazing publication which I actually have at any time go through. It really is written in easy words and phrases rather than hard to understand. It's been developed in an extremely easy way which is merely following I finished reading through this pdf in which it actually changed me, affected the way I think.
