AUTHORHOUSE, United States, 2011. Paperback. Book Condition: New. 203 x 127 mm. Language: English . Brand New Book ***** Print on Demand *****.Why not try for yourself Buddha s Code of Practice - The Path to Purification for better health, peace and happiness Wouldn t you rather try out now than wait until it is too late? The sooner the better I exposed this ancient teaching of the Buddha that lay unheard and unsung for over 1500 years to reveal that psychological aspects can have their physical effects - mind, body and stress. Don t leave for tomorrow what you can do for yourself today * * * At the end of the twentieth century many neuroscientists are still arguing on questions like; what is this aspect of intellect and consciousness we call the mind, to produce a combination of thought, memory and emotion, to name just a few? This book is a bold attempt to throw some light into solving this mystery. As a person with interest in Science and Technology it appeals to me as a very fruitful effort. Please enjoy reading; you will find it enlightening! Professor Lakshman Jayatilleke Chancellor, Wayamba University of Sri Lanka Former Chairman, National Education Commission of Sri Lanka.
