This book is a warning to the young and old alike about the system of seed time and harvest. If you are like I was deep in your mess, it is a book of life tool procedures to rise above and out of your mess. Take a step back and let me expose my life from God s point of view concerning not using God s GPS and where that will take you. Owens Ballenger was born July 29, 1969 in Queens, New York. His family was originally from South Carolina, to which they eventually returned, and where he was raised. He attended Mauldin High School, and later met his wife of fourteen years, Diane. They have a great son together, of whom they are proud. Owens serves as a leader at New Birth Greenville, which includes working with the youth, teaching Sunday school and children s church. Because of his former lifestyle, God led Owens to work with the youth, and to write this book. He believes that most of us start our destructive seed sowing as youths; so, he wants to alter that path in the youth, and prayerfully destroy the root in adulthood.
