NOT BY SIGHT: ONLY FAITH OPENS YOUR EYES

Thomas Nelson on Brilliance Audio, 2018. CD-Audio. Condition: New. Unabridged. Language: English . Brand New. To walk by faith, one needs courage and humility because you need to shut your eyes to the pessimism of this world and be led by the promises of blessing your Heavenly Father has for you. Living by Faith, contrary to what many believe, is actually designed for superior minds with the ability to speak and act according to what really is true--the Word of God. Dare to always challenge your faith for it's the most powerful and effective tool you have for daily living and extraordinary miracles of healing and provision in your daily life. Just believe and declare for supernatural results in your life! Press forward in faith and not by sight. Our senses can easily deceive us, but God's care for us is eternal. I can bear witness to this time and time again first-hand. It's not about vehemently declaring that we are believers, but about reflecting it every step of the way, even in the simplest and most mundane things. Because our faith in God is designed to sustain us in everything. It's not a matter of religion but of everyday living. It's about opening our eyes each morning and entrusting all that we are to God -all that we say, think, do, dream and desire. If we choose to activate our faith and work hard the right way, He'll take care of the results in every area of our life, be they spiritual, emotional, physical, relational or financial. Living by faith in God is both simple and challenging at the same time. I always sum it up in this phrase: Give yourself to the Lord. This covers a number of things from knowing His...
