SERIOUSLY DISTURBED: A HORROR STORY ANTHOLOGY

Createspace, United States, 2015. Paperback. Book Condition: New. 203 x 127 mm. Language: English . Brand New Book ***** Print on Demand *****.Seriously Disturbed is a collection of short horror stories from the warped mind of Amanda Passalacqua. Will two friends return home after their camping trip when they run into trouble during the night? After six cousins get lost driving, will the house with the creepy scarecrows offer them the help they are seeking? The haunted roller coaster is only pretend, except when three friends get on it. A girl warns her friends not to play with the Ouija board. Along with fourteen other unique stories, you won't be able to guess what the true ending is, no matter how big of a horror fan you may be. Amanda Passalacqua has a pretty disturbing imagination.
