## THUMBNAILS (PAPERBACK)

Vagabond Voices, United Kingdom, 2013. Paperback. Condition: New. Language: English . Brand New Book. In these forty-eight very short stories or `micrograms`, Gregory Norminton once again experiments with form, using his stylish and witty prose to examine the nooks and crannies of our distracted lives. Taken as a whole, the collection is an exercise in storytelling, proving that narrative can be found in the most unlikely packages. Sexual love flourishes briefly in a retirement home; British soldiers in eighteenth-century America give a very dubious gift to the natives; a Portuguese naturalist loses his life's work to Napoleon; a grief-stricken father searches the Australian outback for signs of an extinct lizard; Mephistopheles answers his critics and explains the real origins of Shakespeare's Hamlet; a roguish life is reduced to endnotes in a biography; an Anglo-Saxon bard despairs of his vocation - These are just a few of the premises that run through the book. Myth, social comedy, tragedy and speculative fiction follow one another in tales that vary widely in form and content - united by the task of conveying a complete narrative with the greatest possible economy.
