

Vetus Draco Other Tales of Terror

Filesize: 4.94 MB

Reviews

This pdf is definitely not easy to get started on studying but quite entertaining to read through. I am quite late in start reading this one, but better then never. Once you begin to read the book, it is extremely difficult to leave it before concluding.

VETUS DRACO OTHER TALES OF TERROR

Createspace, United States, 2014. Paperback. Book Condition: New. 203 x 127 mm. Language: English . Brand New Book ***** Print on Demand *****.Vetus Draco Other Tales Of Terror Born from the joint minds written together by Katt Behrens David Monk VETUS DRACO They were a select group. You did not just become a member, first if you were chosen, and you must be chosen for death awaited those who sought them out. If you were chosen and foolishly refused, death awaited. If you were chosen and underwent the tests to become one of them, you would be lucky to survive. Those who survived were rewarded twofold; they were branded with their sigil, a burning agony in itself, but a badge of honour that they would proudly wear upon their chests. After that they were full members and had all of the priviledges and power that that entailed. But you were beholden to them and would forever be bound by their laws and orders. You would do their bidding without question. Whether that order be to simply watch, carry a message or kill in their name, their will be done. Disobedience was simply not heard of, even if the killing order was for that of a member of your own family. This is what it meant to be one of them, and this is what it still means to be one of them. For they are of the Vetus Draco, they are of the Old Dragon. They see and know everything. They have always been there, hidden in plain sight, lurking in the shadows watching us. They could be anyone or anywhere, friends, family, neighbours, colleagues. Who would you trust? Plus 8 other chilling tales With contributions from Chris Behrens Holly Howdle.
