Forgotten Books, United States, 2018. Paperback. Condition: New. Language: French . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*. Excerpt from Etudes Historiques Et Physiologiques sur la Transfusion du Sang M. Le professeur Malgaigne consacre à la transfusion du sang une page de son *Trait de Médecine opératoire*; mais il se contente d'indiquer, sans le juger, le procédé généralement adopté pour la pratiquer. La transfusion n'a donc pas encore acquis droit de cité dans la science, tant l'opinion qu'elle offre aucune chance de succès est généralement adoptée, même par les esprits les plus levés. Or, rechercher si cette Opinion est fondée, si elle repose sur un examen approfondi des faits connus, telle est la tâche que je me suis imposée dans ce premier Mémoire. Pour cela, j'ai réuni tous les documents parus dans les auteurs; je les rapporterai sans altérer, ni dans le fond, ni dans la forme, afin de mettre au mieux ceux qui me liront de juger la valeur des conclusions que je dois formuler. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books. Find more at This book is a reproduction of an important historical work. Forgotten Books uses state-of-the-art technology to digitally reconstruct the work, preserving the original format whilst repairing imperfections present in the aged copy. In rare cases, an imperfection in the original, such as a blemish or missing page, may be replicated in our edition. We do, however, repair the vast majority of imperfections successfully; any imperfections that remain are intentionally left to preserve the state of such historical works.
