EMBERS

Audible Studios on Brilliance, 2016. CD-Audio. Condition: New. Unabridged. Language: English . Brand New. There are descendants of angels walking among us. Ember is one of them. Praise for Embers An impending apocalypse provides a compelling backdrop for romance in this page-turning first installment of a new YA series. Hopkins expertly weaves her plotlines together in this compulsively readable teen romance story. Hopkins delivers many successful elements of young-adult romance - appealing lead characters, high-voltage chemistry, repressed sexuality - which will win her ardent followers. (Kirkus Reviews) Embers is the start of an action-packed paranormal YA series. Ms. Hopkins draws the reader immediately in with her richly drawn prologue that introduces the lurking evil in a breath-taking manner. A must read for YA, paranormal, fantasy and suspense fans. Make that a delight for any reader! (InD tale Magazine) Embers is an epic paranormal adventure/romance about an 18-year-old girl who discovers that she s immune to fire - and any other injury - when she s in a horrific car crash that kills her parents. Following a violent episode with her aunt s boyfriend, Ember flees Ohio to live with an old relative in the Smoky Mountains of Tennessee. Ember s exuberance at escaping a bad home life soon turns to trepidation when she learns that she s a Watcher, a descendant of angels. While Ember is instructed about her heritage and the powers that go along with it, she strikes up friendships with two teenagers who live inside of a frightening walled compound in the forest. Inexplicably drawn to one of the young men in particular, an impossible romance develops. But it s cut short when Ember discovers that her new friends are fighting on the opposite side of a war that s been raging between two factions of Watchers for...
