Would you like to learn the basics but don't have much time? Then this book is perfect for you! You will learn enough German to get around in 30 bite-sized tasks which take no longer than about 5 to 15 minutes each. Nearly every task is accompanied by an online video (also downloadable), so that you can hear and practise how to pronounce the words or sentences. A few videos also have listening exercises. The idea is to do one task every day but it is up to you how fast or slow you work. At the end, however, you will be equipped with enough German to have a great holiday.
