Spiritwind Publications. Paperback. Condition: New. This item is printed on demand. 168 pages. Dimensions: 9.0in. x 6.0in. x 0.4in. How do you fuel your life and work with positive energy? How can you create meaning in your life including your work? How do you make time in a busy chaotic world to focus on what matters most: living, loving, and leaving a personal legacy? Many of us are at a personal crossroads in our lives. We've finally realized that the way we're living and working is no longer working for us. We're no longer willing to continue sacrificing our health, family time, and quality of life just to meet the never-ending demands on our time. It's time for a change. And *Energize Your Life* will show you a new way to live and work. Drawing on the latest and most practical research on employee engagement, positive psychology, and play, *Energize Your Life* focuses on simple things you can do everyday to inject massive amounts of positive energy into your work, personal life, and relationships. And how does that help you to get more done, make a difference, and still have time for the things that matter most (like your family or having a life)? The research shows that positive energy programs the brain and the subconscious for productive, beneficial action. Negative energy, on the other hand, shuts down the creative problem-solving brain, slows our productivity, and puts us in fight or flight mode where very little gets done. *Energize Your Life* shows you how to activate all seven sources of positive energy: passion and purpose, personal evolution, physical vitality, positive energy, positive psychology, prosocial behavior, and play. *Energize Your Life* will challenge and inspire you to develop a personal action plan to: liberate yourself from the culture of overwork that...
