GRANTA BOOKS, United Kingdom, 2003. Paperback. Condition: New. New ed. Language: English . Brand New Book. Just two weeks after completing *Crime and Punishment*, Dostoevsky produced a second novel with a very different man at its centre. In *The Idiot*, the saintly Prince Myshkin returns to Russia from a Swiss sanatorium and finds himself a stranger in a society obsessed with wealth, power and sexual conquest. He soon becomes entangled in a love triangle with a notorious kept woman, Nastasya, and a beautiful young girl, Aglaya. Extortion and scandal escalate to murder, as Dostoevsky's positively beautiful man clashes with the emptiness of a society that cannot accommodate his innocence and moral idealism. *The Idiot* is both a powerful indictment of that society and a rich and gripping masterpiece. Richard Pevear and Larissa Volokhonsky's new translation - fresh, crisp and faithful to the original (bumps and blemishes included) - brings the story of Prince Myshkin to new life. As is true of their previous translations of the works Dostoevsky and Gogol, this will be the definitive edition of *The Idiot* for years to come.
