

Star Trek Psychology: The Mental Frontier (Paperback)

By -

Sterling Publishing Co Inc, United States, 2017. Paperback. Condition: New. Language: English . Brand New Book. The next entry in Sterling s pop-culture psychology series features 20 essays and an exclusive interview with Rod Roddenberry, son of Star Trek creator Gene Roddenberry. In a fun and accessible way, Star Trek Psychology delves deep into the psyches of the show s well-known and well-loved characters. It uses academic and scientific theories to analyse and answer such questions as Why do Trek s aliens look so human? and How can the starship s holodeck be used for therapy? This compilation examines alien neurobiology, discusses identity formation for shape shifters, explores the importance of emotion for artificial intelligence and much more.
