

Basic College Mathematics, Global Edition

By Marvin L. Bittinger

Pearson Education Limited, United Kingdom, 2014. Paperback. Book Condition: New. 12th edition. 276 x 218 mm. Language: English . Brand New Book. Objective: Guided Learning The Bittinger Worktext Series recognizes that math hasn't changed, but students-and the way they learn math-have. This latest edition continues the Bittinger tradition of objective-based, guided learning, while also integrating timely updates to the proven pedagogy. This edition has a greater emphasis on guided learning and helping students get the most out of all of the resources available, including new mobile learning resources, whether in a traditional lecture, hybrid, lab-based, or online course. The new edition supports students with quality applications and exercises, a new MyMathGuide workbook and video program, and an updated MyMathLab course that brings it all together! Teaching and Learning Experience This program will provide a better teaching and learning experience for you and your students. Here's how: *Improve Results: MyMathLab(R) delivers proven results in helping students succeed and provides engaging experiences that personalize learning. *Guide Students Learning: The Bittinger team helps today's math students stay on task by guiding them to understand what to do and when. *Reinforce Study Skills: The Bittinger program is equipped with tools and...
